

One week exchange student programme Belarus – Germany

Aims:

- Set friendly relations between two nations (Belarus and Germany)
- Understanding of cultural and historical values
- Language profile exchange (opportunity to visit classes of foreign languages and subject of future specialization)
- Interaction of students (common cultural project for children in orphanages)

Participants:

- 5 German students (age 20-23)
- 5 Belarusian students
- 1 German lecturer (professor) who will be in charge of the group and will be supportive in negotiating the project (preferable a Rotary Club member)
- 1 Belarusian lecturer who will present the country and Belarusian State University, Faculty of International Relations (Department of English for Economics – International Economics, International Tourism, Customs Service)

It would be preferable to exchange with institution of the same or close sphere of subjects.

Conditions:

Students and lecturers are to live in a host family, which will provide a sleeping place and food. Other expenses are the matter of negotiation in each particular case.

Students are:

- To speak English language
- To be interested in learning about the Belarusian culture
- To take part in classes and lectures
- To present in a week common Belarusian-German project for any orphanage in Belarus or Germany
